If you are interested in volunteering at the Tri-Lakes Humane Society in Saranac Lake here's what you need to know.

Tri-Lakes Humane Society's junior and adult volunteer forms are not listed online as they need to be filled out and signed in front of a staff member here at our Humane Society's office due to our liability insurance requirements. If someone is interested they will need to visit during our open hours and speak with a staff member to go over the guidelines and answer any questions they may have.
